
AGM & Lunch 2022

Followed by tour of the
New Quad Building

Saturday 19th November 2022 – 11:30 am

Unbelievably, over 3 years have passed since we last were able to invite you to our Annual Lunch in the Great Hall! This year we will precede this convivial meal with our Annual General Meeting (AGM), allowing you to learn about all the activities of your association by joining fellow Engineering Alumni for this short event.

In 2019, Professor Barbara Shollock gave us an insight to the plans for redevelopment of the Strand Campus to accommodate facilities tailored to world class engineering in the 21st Century. Following this year's lunch, we will have the great opportunity to provide a tour of these operational spaces below the Quad, as witness to the resurgence of Engineering at King's.

Event schedule:

11:30 – 12:30 | AGM, no registration required. Join us at K0.16, King's Building. The formal agenda will be published on the KCLEA website nearer the date.

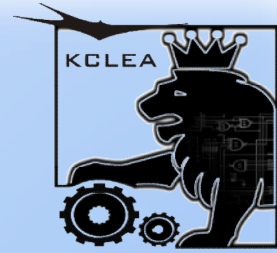

12:30 – 16:00 | Annual Lunch at the Great Hall with Quad space tour (*please visit kclea.org to register*)

*Please add **KCLEA.ORG** to your favourites*

AGM 2022

KCLEA
Annual General Meeting
Formal Notification

Saturday 19th November 2022 – 11:30 am

I would like to take this opportunity to remind all Engineering alumni that they are automatically members of the KCLEA and are most welcome to attend the AGM.

Please note that the current officers are willing to stand again.

The venue for the meeting will be room **K0.16 (Strand building)**
